Schemes for Development of Cities

1339.SHRI T.T.V. DHINAKARAN: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) the details of the centrally sponsored schemes for developing cities and towns in the country;

(b) the criteria for selection of cities/towns; and

(c) the funds allocated for this purpose during the last three years, State-wise?

THE MINISTER OF URBAN DEVELOPMENT (SHRI S. JAIPAL REDDY): (a) and (b) Centrally sponsored schemes being implemented by this Ministry for developing cities and towns in the country and criteria for selection of cities/towns for coverage are as under:

(i) Scheme for infrastructure development in mega cities:

— The scheme is applicable only to Mumbai, Kolkata, Chennai, Bangalore and Hyderabad.

— Funds under the Scheme were channelised through a specialised institution/nodal agency at the State level.

— Sharing between the Central government and State Government is in the ratio of 25%: 25%; the balance 50% has to be met from institutional finance/capital market.

— Projects under the Scheme consisted of a suitable mix/basket of remunerative, user charge-based and basic services projects.

— Nodal agencies would be required to provide project-related finance for urban infrastructure including water supply, sewerage, drainage, sanitation, city transport networks, land development, slum improvement, solid waste management, etc.

(ii) Integrated Development of Small & Medium Towns (IDSMT):

— Towns with population upto 5 lakh as per 1991.

— Towns should be identified and prioritized by the State Government and Union Territories according to their Urban Strategy.

— Towns should have potential for development as regional growth

centre. Preference will be given to headquarters of districts followed by mandi towns and industrial growth centres, tourist places, pilgrim centres etc.

(iii) Accelerated Urban Water Supply Programme (AUWSP):

— The population of the town should not be more than 20,000 as per 1991 Census.

— 95% dependability and relibility of the water sources is established.

— Provision for separate maintenance of accounts is made.

— Provisions for sustainable Operations and Maintenance mechanism is evolved and incorporated in the Detailed Project Report.

— A sustainable tariff system evolved and approved by the State Government is incorporated in the Detailed Project Report.

— Provision is made for 5% contribution by the urban local bodies towards the project cost.

— The Commitment of the urban local body for all the stipulations including improvement in institutional and tariff mechanism, their preparedness for maintenance through suitable arrangements should be obtained and be included in the Detailed Project Report.

(iv) Lump sum provisions for the Projects/Schemes for the benefit of North Eastern Region and Sikkim:

— The State Governments from North Eastern States and Sikkim submit project proposals pertaining to infrastructure development in that area.

(v) Solid Waste Management and Drainage Scheme in 10 selected airfield towns. The 10 towns are Gwalior (M.P.), Ambala (Haryana), Hindon (U.P.), Jodhpur (Rajasthan), Tezpur (Assam), Dundigal (A.P.), Sirsa (Haryana), Adampur (Punjab), Pune (Maharashtra), Bareilly (U.P.)

(c) The funds allocated/released under various scheme during last three years, State-wise are as under:—
